

ACKNOWLEDGMENTS

The authors wish to thank the staff of the N.C. Natural Heritage Program for guidance and input during the writing of this report. Specifically, thanks go to Shawn Oakley for assisting in the production of the plant and animal species tables and the natural area maps, and to Ann Kelly for assisting in the production of the regional and county maps.

Others deserving thanks are John Alderman, Barry Dalton, Merrill Lynch, Laura Mansberg, Julie Moore, Lee Otte, Lance Peacock, Charles Roe, Rob Sutter, John Taggart, and Alan Weakley, whose previous field work and published and unpublished reports were quite valuable to this report. Also helpful in the preparation of this report were previously published county inventories for Durham, Orange, and Wake counties.
